

Dear Colleague,

SUB: Celebration of *WORLD PHYSIOTHERAPY DAY* on 8th September 11,

With seasons' greetings....

In context to celebration of *WORLD PHYSIOTHERAPY DAY* on 8th September, 11, we are glad to announce a **Walkathon** at Rajkot Racecourse Ring Road starting at 7:30 am to 9:30 am. It is an opportunity for physiotherapists from all over the world to raise awareness about their crucial role in keeping people well, mobile and independent. The day was established by WCPT in 1996, and marks the date on which WCPT was founded (1951).

We do appreciate if we have information and suggestions for precise way of celebration of this day.

Thanking you.
